From the PRINCIPAL'S DESK

"Develop a passion for learning.
If you do, you'll never cease to grow"
– Anthony J. D` Angelo

Education is the heart of every society. It makes us to learn, to know, to do, to live together. It helps in the development of innate capacities, character formation, strong mind, expansion of intellect and makes oneself self sufficient. Education drives away ignorance and through illumination it emboldens and empower a human to a righteous thought and action by widening his mental horizon. Master Tara Singh Memorial College for Women has been imparting quality education laced with hand on experience in the streams of Arts, Commerce and Information Technology .

I personally feel, youth is the spring of life. It is the age of discovery and dreams. It is the time when youngsters have boundless gush of energy and that is to be channelized through creative moulds. Our college provides them a canvas on which students can paint their nascent thoughts through myriad forms. We have motley of courses ranging from innovative to traditional and add on courses too. Our passion for education, indefatigable efforts of visionary management committee and exemplary body of teaching staff has driven us to achieve many milestones and created a conducive learning environment for students. This institution is committed to provide an inspiring centre of excellence tailored to girls education.

I, on behalf of entire MTSM fraternity welcome you all in this sanctuary of learning. I expect you to be disciplined and well behaved so that a congenial academic atmosphere prevails in the institution. I also want a commitment from your side to strive hard to achieve the desired goals and later thrive to the gleaming story of success.

I commit my complete loyalty, passion, enthusiasm, and diligence to this prestigious institution and its community. I hope and trust that we all will continue to work with elevated enthusiasm and energy to provide a unique platform for holistic education to the young generation of learners who will make significant contribution to nation building.

With best wishes,
Dr. (Mrs.) Kirandeep Kaur
Principal

ABOUT THE COLLEGE

MASTER TARA SINGH MEMORIAL COLLEGE FOR WOMEN, LUDHIANA was established in 1968. Since its inception, the college, while embarking on its never ending quest for excellence, has grown fledge by fledge as a prestigious multi-faculty post graduate institution offering wide-ranging graduate and post graduate programmes to nearly twenty two hundred students. The institution has taken a tremendous leap in the academic, cultural and sports field and carved an enviable niche for itself among the women colleges of the city.

VISION

Our vision is to emerge as an excellent education institution that is committed towards women empowerment by providing quality education. Through value based nurturing, we strive to make our students enlightened and active participants in shaping the future of world.

MISSION

The mission of our institute is to make each student economically independent through holistic education, academic excellence and inculcation of right professional skills. It aims to empower each student with self esteem, confidence and enlightened personality resulting into effective contribution towards building a strong nation. It aims to develop a culture of inclusivity by catering to the needs of the students who come from different economic and social backgrounds. The college strives to instill national spirit and pride in youth by grounding them with human values.

Through skill training the students can improve their overall performance in the specified area which results in improving the overall quality of life. Skill Enhancement Programme of college provide training in the best practices from the field of education, IT, Fashion Designing, Office Management & Secretarial Practice.

Infrastructure is the hallmark of a college. A profound infrastructure represents sound philosophy and healthy outlook of the authorities who seek to impart education in the premise. The infrastructure of the college includes sixty two well furnished, spacious and airy classrooms including air conditioned rooms for MBACIT and computer science students. Various updated departmental labs of Home Science, Dress Designing & Office Management. Fully air conditioned computer labls consisting of 90 Core 2 duo computers with internet facility. Air conditioned seminar hall, well maintained staff rooms, centralized announcement system, Medical inspection Room, Gym, Photostat Facility, Recreation Room, Reading Room, Divinity Room also constitute part of healthy Infrastructure.

Psychology Lab

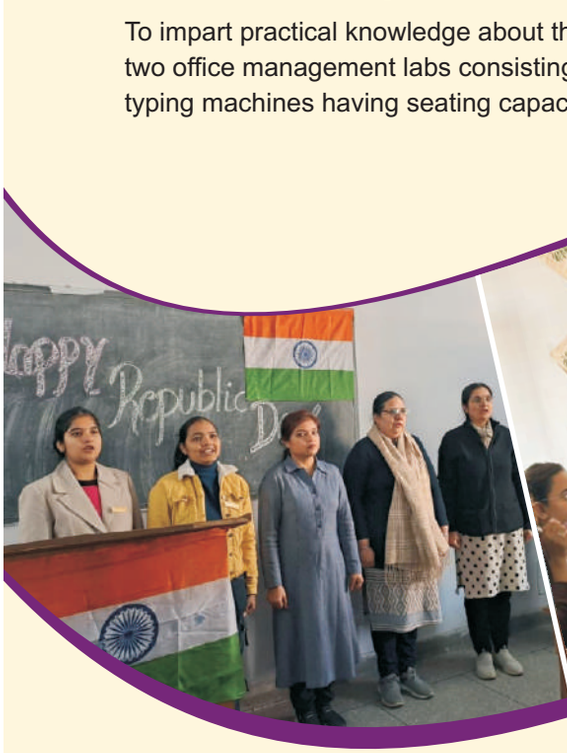

The Psychology Lab of this college consists of modern equipment like level of aspiration, judgement of facial expression, zeigarnik effect, to measure intelligence through verbal & tests, Macostra & Crae NEO big five personality inventory Interest inventory, Asthesiometer Maze learning appartus mirror drawing apparatus, Muller Lyc illusion apparatus, MC Dougal Disc, Retroactive interference TAT Depression Inventory (Back) state trait. Anxiety inventory, self efficiency questionnaire Aggression scale, GSR biofeedback apparatus for the betterment of the students.

Fine Arts Lab

Fine Arts Lab is fully equipped with the latest equipments viz easels, drawing boards and pedestal lights. Well maintained Fine Arts Lab provides the most favourable environment for the students to develop their hidden talent.

Office Management Lab

To impart practical knowledge about the latest office procedures, college has two office management labs consisting of latest computers and modern typing machines having seating capacity of 50 students.

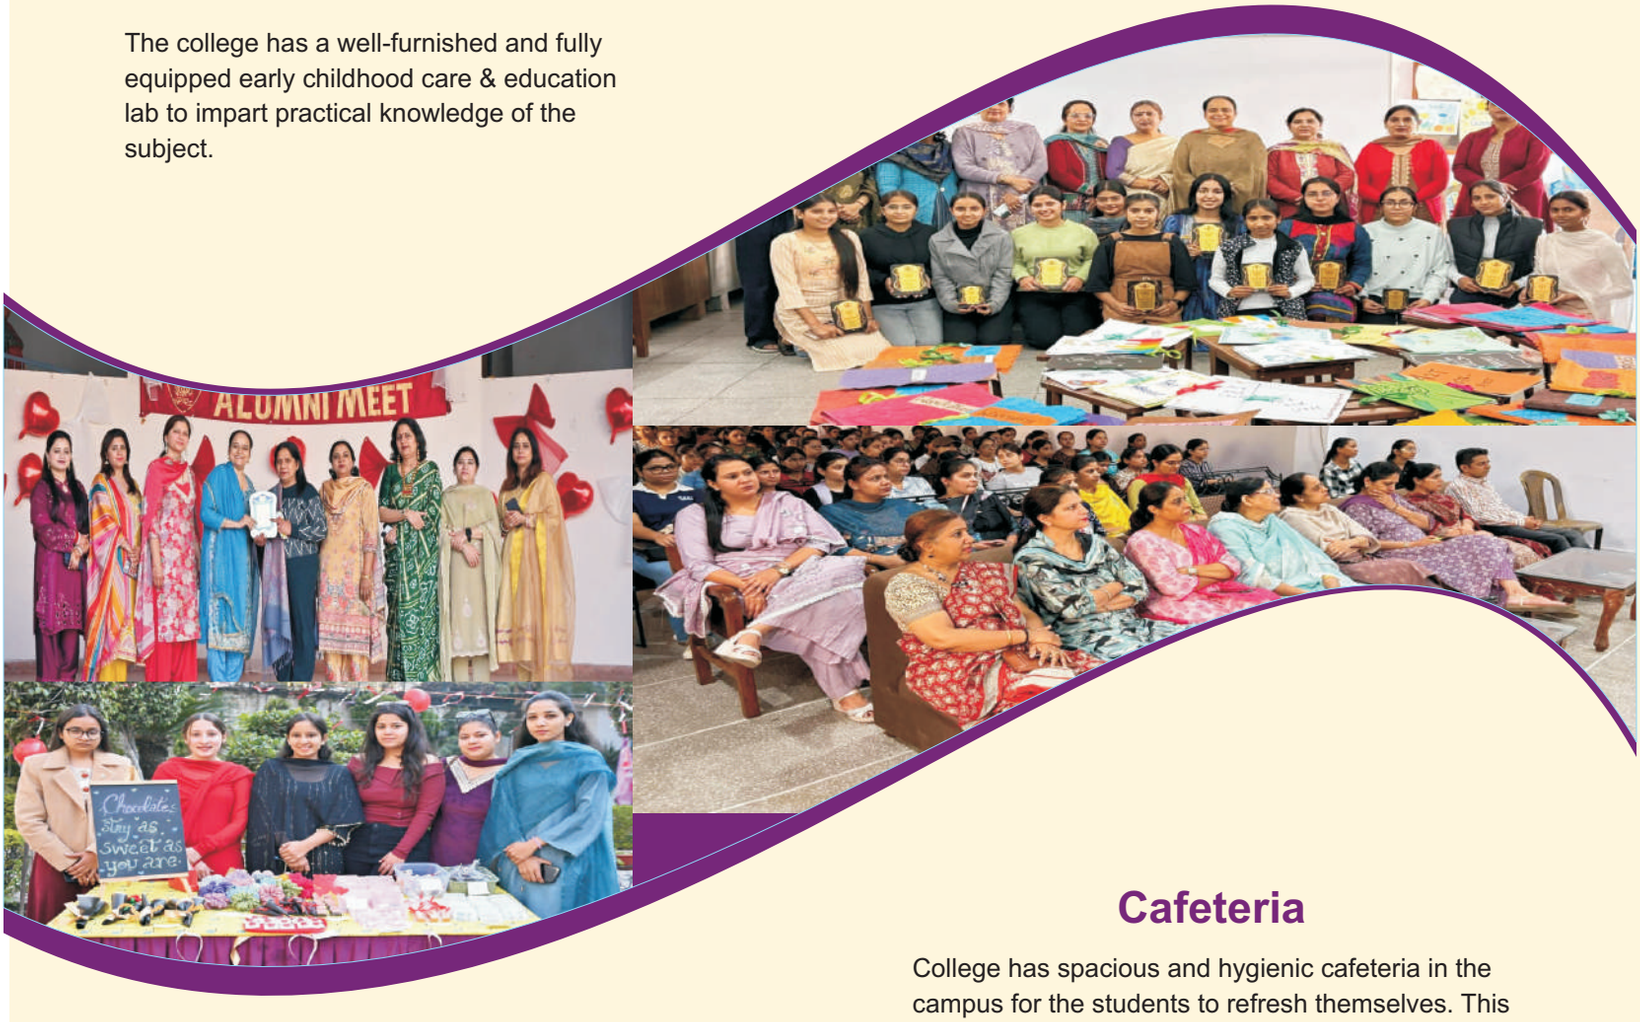

Early Childhood Care & Education Lab

The college has a well-furnished and fully equipped early childhood care & education lab to impart practical knowledge of the subject.

Cafeteria

College has spacious and hygienic cafeteria in the campus for the students to refresh themselves. This cafeteria offers well balanced and quality food at reasonable price.

Fashion Designing Labs

There are 3 Labs viz. Garment Construction Lab. Pattern Making Lab and Dyeing & Prininting Lab for the students of fashion designing. The garment construction lab is equipped with the latest automatic and semi automatic sewing machines, treadle machines, fashion makers, button fixing, buttonholing, lock stitch and over lock machines. The pattern making lab consists of three 4x8 and six 6x8 printing tables. The dyeing and printing lab includes block and screen printing material. There are computer systems equipped with the latest versions of designing softwares like Core Draw, Illustrator, Photoshop, CAD/CAM and Fashion Studio.

Campus Infrastructure

The college has four hi-tech Computer Labs equipped with 90 latest computers (core2duo with LCD Monitor) and three broadband internet connections to ensure accessibility for each student. The computer labs are equipped with adequate number of LCD Projectors and other peripherals.

Home Science Lab

The college has three well equipped Home Science Labs viz. Cooking Lab, Home Management Lab and Laundry & Textiles Lab. Each lab has working capacity of 30 students at a time. Labs are eqipped with modern instruments like microwave oven, cooking range, electrical gadgets, washing machine, sewing and embroidery machines etc.

Library & Reading Room

The Library is the soul of every educational institute and plays a significant role. College has a fully air-conditioned and computerized central library stocked with more than 40,000 latest text and reference books related to all disciplines of management, Arts, Computer, Commerce, Literature and many more. Library has an excellent collection of various National Level journals and magazines relating to different disciplines. There is a book bank facility available for needy students.

Seminar Hall

A spacious and air conditioned seminar hall accommodating 300 students with audio-visual aids and LCD projector facilities is available for the conduct of regular orientation programmes like extension lectures, guest lectures, workshops and personality development programmes.

Smart Class Room

Keeping with changing education scenario the college has established smart classes which is a major step towards meeting the modern infrastructure requirements. The smart classes induce motivation and enthusiasm to learn amongst students quickly. Owning to their hi-tech quality and interesting mode of dispensing information these classes leads to enhancement of memory skills.

Medical Inspection Room

To cater the routine health checkups and minor health related problems a medical inspection room is operational in the college campus.

Campus Information

National Cadet Corps

To bring the spirit of Discipline and National Integration in the students, the college is running two NCC units under the supervision of Punjab Girls Bn NCC, Ludhiana. The NCC cadets regularly participate in social, cultural and other related activities and various camps organised by Defence Ministry. Our cadets actively participate in Independence Day and Republic Day parades. The practical training given to the cadets during camps, provides the requisite exposure which helps them to compete with added advantage in all walks of life. Cadets attend 40 parades of 2hrs each during the academic session. College has organised awareness campaigns like drug awareness, Aids Prevention, Traffic Rules etc.

National Service Scheme

The National service scheme which aims at inculcating the spirit of social service, dignity of labour, community development, national intergration and fellow-feelings among the students, has been functional in this college since 1973. Our students take part in N.S.S. activities very enthusiastically. Our college also organises National Integration Camps sponsered by Ministry of Youth Affairs and Sports, in which students from all over the Indian States participate. The N.S.S. Unit organises various awareness rallies against social evils and various training programmes like Civil Defence, First Aid, Traffic Rules in college campus.

Activity Based Learning

To widen the horizon of the learners 'Activity based learning' sessions like case study, panel discussion, seminars & extension lectures, group discussion and role plays form a part of the pedagogy. This acts as a platform to develop professional skills among students. These sessions help to bring radical changes in the students' perception, attitude and ability to comprehend complex concepts.

Youth Club

Our college Youth-club remains active throughout the session. With a view to break the monotony of the classroom teaching, the club organizes hiking and trekking expeditions besides holding debates and declamation contests. To imbibe love for the rich cultural heritage of Punjab, this club celebrates festivals pertaining to Punjabi culture like Teej, Diwali, Lohri and Basant.

Sports And Games

The sports and games facilities available in the college campus enable students to attain physical growth and sportsman spirit. For the overall development of the students, Special stress is laid on sports. The college has a provision for athletics and other games like Basket-Ball, Badminton, Weight-Lifting, Table-Tennis, Judo, Kho-Kho, Pistol and Rifle Shooting. Since physical exercise is essential for the maintenance of general fitness of the mind and the body, yoga classes are also held in the institution. Our players have brought laurels to the college by winning Gold & Silver medals at District, Zonal, State and National levels. These activities not only develop team spirit among the students but also teach them to celebrate victories and accept defeats.

Co-curricular Activities

Various Literary and Debating societies are functional in the college to explore the hidden potential of the students. These societies, under the expert supervision of senior staff members encourage students to take part in debates, declamations, quiz-contests, Shudh Gurbani recitation, performing arts etc. Many clubs like commerce club, Home Science Club, Health Club, Drama Club, Art & Craft Club, Sports Council remain operative throughout the session. There are Saturday workshops for MBACIT students. These clubs/workshops contribute tremendously towards the harmonious development of the students.

Central Students Association

Central Students Association consists of meritorious students and class representatives of all the classes. The student representatives help in maintaining discipline in the college and actively participate and contribute to the best of their abilities in making every function a great success. They help in creating a congenial atmosphere in the college. Moreover, they encourage their fellow students to take part in co-curricular activities.

Career Guidance & Coaching Cell

We are living in dynamic world and every day students face new challenges. This cell headed by experienced faculty members provides proper guidance and counseling to the students in exploring professional options. The cell establishes close contact with industry and service organization to line out abundant career options for students and also provides coaching to the students for various competitive exams.

College Rules

As said by scholars and achievers that discipline is the key to success. Here in Master Tara Singh Memorial College for Women we also feel the same. Following are some rules which each and every student has to adhere :

- Any student found guilty of ragging would be suspended from the college.
- As the college authorities issue identity card at the commencement of the session, every student is required to carry her respective identity card during her stay in college campus.
- **Leave for absence from the college should be applied personally by a student on th prescribed form available in the college office. In case of illness the application should be supported by medical certificate. Absentees shall be reported daily.**
- Students can change their subject within 15 days from the commencement of classes on the Prescribed performa available from the office.
- A student who loses, defaces or damages college library books shall have to pay the full cost.
- Every student must attend 75% of lectures delivered both in theory and practicals. Otherwise she will be detained from appearing in the university examinations.
- No student will be allowed to leave the college before the 7th period without the permission of Principal/Tutor.
- In case of change Address/Tel. No., students should inform the college office immediately.
- Use of mobile phones are strictly prohibited in college campus and shall be confiscated from students.
- Students are not allowed to bring any valuable article to the college campus.
